- Low income or financial hardship (i.e. accessing food banks, WINZ, budgeting services or other social agencies)

if you have a whānau who wishes to receive housing support that doesn't meet the CSC/Low income group – please still refer them and Well Homes can link them with an appropriate service

Please discuss the information below with the whānau (family):

Well homes will:

- Contact whānau and link them with the most appropriate housing programme for their needs
- Refer to services in the local area that can help with housing and health
- Work with whānau to come up with a plan to ensure a healthy home that is warm, dry and safe
- Work closely with hospital services and community services

- I have discussed Well homes with the whānau and they have consented to a referral
- The whānau understand hospital records may be reviewed by Well Homes to link them with the most appropriate housing programme for their needs
